Mr. Neeraj Gupta an alumnus of prestigious IIT Kanpur and IIM Calcutta fondly remembers all his teachers of Colvin Taluqdars' Inter College, Lucknow, their updated and meticulous guidance that was instrumental in developing insights for science and technology and helping him compete IIT JEE in first attempt. Almost two decades later, during a chance visit to a test preparation institute in his beloved city of Lucknow, he vowed to provide, IIT JEE aspirants, methods of instructions and testing, that are harbinger of success. the contemporary books and literature, pedagogy and testing methodology introduced by him and his colleagues gave humongous success to students in the decade from 1998 to 2008, with up to 27% selection rate, hundreds of IIT JEE selections and many under 100 AIRs.

**Er. Neeraj Gupta**

Mr. Neeraj Gupta's commitment to Iron & Steel Industry prompted him to shift to New Delhi in 2008 for five years he occupied eminent honorary position in Indian Institute of Metals and The Institute of Indian Foundrymen, delivering lectures on international forums and making important suggestions to Engineering Council of India; however he kept his passion for teaching alive by associating with M/s FIITJEE Ltd. and added value as Professor of Chemistry and Faculty Trainer; almost 900 faculty members trained by him in last 9 years are working all over India today and vouch for his knowledge and passion for nurturing minds.

Mr. Neeraj Gupta, after finishing his work with metallurgical institutions in 2013, shifted to his beloved city and managed school integrated programs that remain famous for the continuous success of students taught, mentored by him.
